

4 years and 4 months old. He had his policeman's
 whistle in his breast pocket, with cord attached ^{and was} ^{of this}
 Rosa writes me that Alice is seriously ill,
 with kidney ailment and high blood pressure.
 She and Nannie had just been to see her.
 We are expecting Birdie Cox down tomorrow.
 With lots of love, and best wishes for the new year,
 Uncle Tom.

and was of this
 coming from
 my
 father
